Prayer of Jesus

Great Spirit, Creator of all,
From the stars to all the Earth,
Loved and respected be your name,
May it happen that all should live in your way,
Following your purpose for all creation.
Enable us to find what we need for today's journey,
Forgive us when we go wrong
As we forgive those who wrong us.
Have compassion on us when we are being tested,
do not abandon us to fear and evil.
Our hope is in your new community.
You are the one who can transform all creation,
making everything new,
now and for eternity.
Amen
