Invitation to Holy Communion

Listen. In the hustle and bustle,
In the chatter and cacophony of chaos,
In the pauses between our words,

God is here among us.

Let us open our eyes and ears and hearts to God.

We open them to God, to one another and to all of creation.

Let us take a moment and a breath to give thanks to God.

And we breath out in gratitude praising God.

Prayer For Faithfulness

Sonorous God,

**may your vibrations of life transform and enliven us
that we may proclaim lives of thanksgiving.**

May we listen for your ever present love among us

A love that invites us into a yearning that will never be satisfied

Until all know that they are a part of your glorious creation -

A melody of grace that reflects your beloved word.

In Christ's name, we pray. Amen.

Benediction

In the stillness of the early morning,
The loon's cry warbles across the water.

The stream babbles and bounces

Into the lake,

Quieting as the profound

Depths of the lake,

Envelopes the new arrivals.

The leaves on the trees

Tremble in the breeze,

As the sunshine begins to warm my face.

I close my eyes,

And I am held and caressed.
