## Namer of the Stars

Looking up into the glittering galaxies  
I see a breathtaking canopy of light.  
Each twinkle leads to another and another,  
Stretching out into an endless universe.  
Every star reveals an immensity of mystery  
And stirs in the soul a connection with you.  
You touch the heavens with sparkling beauty  
As you call each bright luminary into its place.  
Namer of the Stars, Creator of Wonder,  
I bow to the eternal brightness that is you.  
Today: The *Namer of Stars* leads me to wonder.

from *Fragments of Your Ancient Name* by Joyce Rupp
