## Beauty Giver

"Beauty is in the eye of the beholder."

This we've heard from wise ones in the past.

You have given us perceptive eyes and ears

To discover what charms and gladdens us.

Everywhere beauty awaits our contemplation

In nature, music, art, word, drama, dance,

In human landscapes of body, mind, and soul.

To behold and receive these inspiring treasures

All we need do is awaken our dulled awareness

And bring a nonjudgmental openness of mind.

Today: With a grateful heart I find and receive beauty.
