## She Who Is

Elizabeth Johnson

Finally you are being acknowledged,  
Not as He Who Is but She Who Is.  
Another face of divinity to guide us,  
A feminine movement of aliveness,  
A divine, relational, knowable presence.  
You draw us into sacred community  
And challenge troubling exclusivity  
With your invitation of partnership.  
You choose to reveal yourself to us  
Through silent, intuitive glimpses.

Today: *She Who Is* invites me inward.

from *Fragments of Your Ancient Name* by Joyce Rupp
